Subject: Report of 15.10.2024 on 'Special Campaign 4.0' of the 'Swachh Bharat Abhiyan' by ICAR-IWM, Bhubaneswar - reg

Under the ongoing 'Special Campaign 4.0', the staff and project scholars of the Institute actively participated in the *swachhata* drive to cut grasses, bushes and unwanted plants near the VIP plantation site and to trim the canopy of roadside plants in the ground adjoining the dragon fruit experimental plots of the Institute on 15th October, 2024. Later, they collected the cut grasses and branches for disposal into the compost pit. The 'Before and After' photographs of the site and some of the activity photographs of 15.10.2024 are presented below.

Before the *swachhata* drive

After the *swachhata* drive
