## Subject: Report of 16.10.2024 on 'Special Campaign 4.0' of the 'Swachh Bharat Abhiyan' by ICAR-IIWM, Bhubaneswar - reg

On 16<sup>th</sup> October, 2024 forenoon, the *Swachh Bharat Abhiyan* Committee along with the Administrative Officer visited the Administration Section of the Institute, screened and identified old and disused files with the support of the staff of the section. Accordingly, the Administrative Officer cum Head of Office was advised by the Committee to initiate necessary official procedure to weed out those files to create useful storage space in file cabinets and wardrobes during this ongoing Special Campaign 4.0 period.

In the afternoon, the staff and scholars of the Institute actively participated in a cleanliness drive to cut grasses, bushes and unwanted plants on roads leading to residential quarters along the dragon fruit experimental field in one side and the guava orchards on the other. They also pruned the unevenly grown branches of roadside trees. They collected all the garbage for disposal into the compost pit. The 'Before and After' photographs of the site and some of the activity photographs of 16.10.2024 are presented below.

Screening and identification of old and disused files in the administrative section by the *Swachh Bharat Abhiyan* Committee
