Subject: Report of 17.10.2024 on 'Special Campaign 4.0' of the 'Swachh Bharat Abhiyan' by ICAR-IIWM, Bhubaneswar - reg

The Swachh Bharat Abhiyan Committee along with the AO, FAO and AAO of the Institute visited Finance Section, screened and identified old and disused files with the support of the staff of the section on 17th October, 2024 forenoon. Accordingly, the AO & FAO were advised by the Committee to initiate necessary official write off procedure immediately to weed out old and disused files during this ongoing Special Campaign 4.0 period.

In the afternoon, the staff and scholars of the Institute actively participated in a cleanliness drive to cut grasses and bushes in one side of the children's park and also trimmed the unevenly grown tree branches of the avenue plantation. They collected all the garbage and disposed of into the compost pit. The 'Before and After' photographs of the site and some of the activity photographs of 17.10.2024 are presented below.

Screening and identification of old and disused files in the administrative section by the Swachh Bharat Abhiyan Committee
