Subject: Report of Day-4 (19.12.2024) on celebration “Swachhta Pakhwada” by ICAR-IIWM, Bhubaneswar - reg

Three distinct activities were undertaken on 19th December, 2024 under the ongoing *Swachhta Pakhwada*. A selfie booth was installed in front of the main Institute building with *swachhata*-themed props and backgrounds, where all staff and scholars took their photographs and shared in respective social media handles in order to create *swachhata* awareness and sensitize general public about the objectives of *Swachh Bharat Abhiyan*, besides publicising the brand ICAR-IIWM. The *Swachh Bharat Abhiyan* Committee also initiated painting of all trees inside the campus with anti-termite treated Bordeaux mixture to save the plantation, while adding to beautification. In the afternoon, all staff and scholars actively participated in a cleanliness and sanitation drive within the campus and cleaned the weeds from roadside hedges, and pruned coconut plantation. Some of the action and activity photographs of Day-4 (19.12.2024) are presented below.
